RM22.9 MILLION SPORTS TOTO JACKPOT WON BY WINNERS FROM MELAKA, SELANGOR, SARAWAK AND SABAH

Lucky winners from Melaka, Selangor, Sarawak and Sabah shared the RM22.9 million Toto 4D Jackpot 1 on 9 September 2023.

The winner from Sarawak, walked away with the largest portion of the jackpot totalling RM17.3 million by betting her own and friend's car registration numbers.

The 53-year-old winner, who is a housewife, told STM Lottery Sdn. Bhd. that she was not a regular player and she only plays when she has good inspirations.

"I went to another town to visit my relatives and coincidentally I have also met my friend enjoying her holiday there.

"Such a coincidence was rare so I have decided to bet on our car registration numbers – 9861 & 3856 and it turned out to be the winning pair of 4D numbers for me," she said.

The winner said she was still very excited about winning the jackpot until she has not planned on how to spend her newfound wealth but she said she would probably buy some nice present for her friend who gave her the inspiration to win the jackpot.

Her System 11 ticket won her a whopping RM17,340,445.75 and System Play bonus of RM3,024.

Second winner from Melaka won RM3,152,808.30 and a bonus of RM611 for also betting on her family members' car registration numbers – 1113 & 9861 in an i-System 12 ticket.

The 45-year-old winner, who works as an insurance agent, said she is one of those players who would only play the Toto 4D Jackpot game when the total jackpot amount exceeds RM10 million.

"It was actually my husband who alerted and asked me if I have bet on my set of favourite numbers when he saw live draw results on Saturday.

The 41-year-old winner, who is a real estate agent, said he was informed by his friends when the pair of winning numbers came out that he might have won the jackpot.

“True enough, I have won the jackpot and I will use this money to clear my debt,” he said.

The last winner from Sabah won RM398,630.85 by also buying an i-System ticket.
