MALAYSIAN WORKING IN SINGAPORE WINS RM32 MILLION TOTO JACKPOT

A Malaysian who works in Singapore won the RM32 million Supreme Toto 6/58 jackpot on 14 September 2022.

The 44-year-old lucky winner, who works in Singapore as a supervisor for a trading company but lives in Johor, told STM Lottery Sdn. Bhd. when collecting his winnings that one's chances of winning are higher when he or she expects less.

"I always bet on Toto 4D Jackpot and Supreme Toto 6/58 games just for the sake of playing and I have never expected that I could also become a jackpot winner one day.

"The winning numbers – 1, 3, 9, 11, 26 & 47 are some of my favourite numbers that I often bet on.

"My wife and I are very happy that our dream has come true. Although I am now qualified for early retirement, I will not allow myself to be slacken therefore I will continue to work in Singapore," he added.

The winner said he would use the winnings to pay off his housing loan, donate to charitable organisations, buy some properties as well as set up education fund for his children.

He bought a System 8 ticket which won him a whopping RM31,949,992.85 and an additional RM83,856 as System Play bonus.
