LUCKY WINNER FROM SELANGOR BAGS RM11.9 MILLION SPORTS TOTO JACKPOT

A lucky winner from Selangor won the RM11.9 million Toto 4D Jackpot 1 on 31 July 2022 by betting on his passport number and the date of a special religious occasion.

The 60-year-old winner, who runs a lighting shop, told STM Lottery Sdn. Bhd. when collecting his winnings that his pair of winning numbers came from his passport number – 0540 and the date of a special religious occasion in July – 1444.

“I was sending out festive greetings to my employees and business associates, so I thought why not bet on the date of this special occasion. To play the Toto 4D Jackpot game, I paired the number with my passport number.

“My girlfriend and I were so happy when we saw the winning numbers popped up on Sunday night, I think if we are kind to share positive vibes to the people around us, it will bring us luck,” he said.

The winner has not planned on spending his newfound wealth but he wanted to donate a part of the winnings to charitable organisations.

He bought a System 8 ticket which won him a whopping RM11,952,149.45 and an additional RM2,016 as System Play bonus.
