FAMILY CARS WIN THE FATHER OF A FAMILY RM23 MILLION TOTO JACKPOT

A lucky winner from Perak won the RM23 million Toto 4D Jackpot 1 on 19 March 2023 by betting on the registration numbers of all vehicles owned by his family.

The 49-year-old winner, who is a chicken wholesaler, told STM Lottery Sdn. Bhd. when collecting his winnings that he only started betting on the registration numbers of the vehicles owned by his family members after his youngest son bought a new car 3 months ago.

“I thought it would be interesting to bet on the five car registration numbers owned by my family members including myself.

“So I played Toto 4D Jackpot’s System Play to bet all 5 sets of car registration numbers and my two sons’ car numbers emerged as the pair of winning numbers – ‘4147 & 9590’,” he said.

His System 5 ticket won him a whopping RM22,991,136.80 and an additional RM1,008 as System Play bonus.

“I was speechless when I saw both winning numbers went up to the top 3 prizes. I had a sleepless night until I come to collect my prize today,” he added.

The winner said he could only plan about how to spend his newfound wealth after he has safely deposited the winnings into his bank account.
