PRESS RELEASE
18 JULY 2022

THE CROSS COUNTRY RUN IN KUALA LUMPUR IS BACK

STM Lottery Sdn. Bhd. (Formerly known as Sports Toto Malaysia Sdn. Bhd.) and the Federal Territory Kuala Lumpur Athletic Association (FTKLAA) is proud to bring back the *Go For It!*-FTKLAA Cross Country 2022, which will be held on 11 September 2022 at Padang Merbok, Kuala Lumpur.

STM Lottery senior communications manager Mr. Giam Say Khoon said it is timely to bring back the annual cross country, which was cancelled in 2020 due to the pandemic, as the runners are eagerly waiting to join back the race that is uniquely held in the heart of the city.

“As we are moving into the endemic phase, we feel that it is time to bring back the fun. We used to have running events almost every weekend before the pandemic, as we are getting back to normal, we hope the runners are ready to face the challenge again.

“We are also very excited that we are once again able to promote a healthy lifestyle because exercise is always the most practical way to stay healthy and fit,” he said when announcing the cross country on 18 July 2022.

The run, which will take the runners through some jungle paths, slopes and tarred roads, is divided into men’s and women’s 15km, 7km, 3km (kids run) and the 5km Fun Run category which is specially designed for participants who wish to join as a family.

Other than cash prizes totaling RM10,950 for the winners, all participants also stand a chance to win some attractive lucky draw prizes.

STM Lottery also thanked FTKLAA for offering the company the opportunity to be the title sponsor of the event as well as other supporting partners that contribute to the event such as Berjaya Hotels and Resorts, ANSA Hotel Kuala Lumpur, ACES Hotel Kuala Lumpur, Cosway, Starbucks Malaysia, 100Plus, Milo, BOSSfit Malaysia, Chek Hup, Simple Little Things, Kenny Rogers Roasters and U Mobile.

Go For It!-FTKLAA Cross Country is part of the company’s Helping Hands programme, a corporate social responsibility initiative to support social sustainability projects such as national sports development, festive donations, food bank, and environmental conservation projects.
